FOUNDED JUNE 17, 1961 - ST. ALBERT'S 100 ANNIVERSARY

Jan. 8, 1965 Vol. 5-7

Council Meeting, January 11, 1965. Mayor Veness, Councillors Fowler, Stewart, McGee and deBruijn were in attendance.

Recreation Club Room A contract was awarded to Harsim Construction for \$33,482.00 for the building of a Club House to be built with the \$22,000.00 Recreation Grant. One extra was allowed a folding door, not to exceed \$600.00.

An additional \$8,000.00 for a winter works project and \$2,000.00 from Town's general revenue, made it possible to build these club rooms which are \$11,000. higher than the original Recreational Grant of \$22,000.00.

Recreation Grant Applications Council recommended the Recreation Board's 5 point recommendation for policy regarding dealing with applications for grants for community recreational activities.

"1. Assistance to organizations, may be considered and recommended provided that
(a) application is made to the Parks and Recreation Department, and,
(b) approval for a grant may be given by Council on the recommendation of the Recreation Board and the Recreation Director.

2. In every instance where application is made for assistance in the form of cash grants or organizational help, the applicant must present completed copy of "Application for Grant" forms.

3. Assistance to organizations providing activity at the community level.

(a) Equipment and supplies may be purchased by the Parks & Recreation Department (which will retain ownership) and loaned to an organization upon completion of a satisfactory lease agreement (deposit).

(b) Organizational and leadership assistance, in accordance with the purposes and objectives of the Department, can be given to all community recreation organizations upon request

4. Recommendation for assistance for groups representing St. Albert in higher competition may be made on a suggestion of the Recreation Director and endorsed by the Recreation Board and approved by Council.

5. The Parks & Recreation Department reserves the right to investigate any expenditures made from the public funds, if it is deemed necessary.

(A sixth point was added)

CLUB ROOM \$11,000.00 HIGHER

Town Employees ask for Union Status SHOPPING CENTRE STURGEON HEIGHTS Salary Increases

6. Applications must be received by December 31 of the preceding year to which the grant is being applied.

N.B. An extension to February 28 granted for 1965."

This policy will be prepared in by-law form.

Shopping Centre Sturgeon Heights After hearing an appeal from Windsor Holdings regarding a shopping centre at the corner of Edmonton Road and Sunset Blvd., Council reversed the decision of the Development Officer and granted approval to a 2 storey commercial building, including some office space.

Salary Increases Temporary salary increases were recommended by the Executive Committee for four senior town employees: Acting Secretary Treasurer \$100. per month; Senior Stenographer \$50. per month; Bldg Inspector \$50.; Accountant \$50. These increases will be retro-active to November 15 and will be effective until a Secretary Treasurer and Town Engineer have been appointed. The reason for these increases is that the workload of these employees has been increased considerably since the resignation of the Secretary Treasurer and Town Engineer. This was approved unanimously.

Civil Defence Fire Chief Tetarenko was appointed Civil Defence Director, with duties to be outlined and remuneration to be determined by Civil Defence Chairman, Councillor Kehling.

A letter was received from the Planning Committee of the Edmonton Target Area inviting the Town's representation at a forthcoming meeting. Councillor Kehling and Chief Tetarenko were authorized to attend. They were also authorized to attend the Alberta Emergency Measures Organization conference to be held Jan-21, 22.

Civic Employees Association Council received a letter from the St. Albert Civic Employees Association stating that they had applied to the Board of Industrial Relations of the Provincial Government for union status. Following a hearing with this Board, the Association will become the Canadian Union of Public Em-

ployees, Local 941. The personnel committee, chaired by Dr. Stewart, will meet with the present Association next Saturday, January 16th, to try to determine the reasons for the Association wanting to unionize.

Secretary Treasurer Applications Council was informed that Mr. Fraser of Lamonte, Dewhurst, is ready to meet with Council to discuss the position of Secretary Treasurer. Of 17 applicants for the position, there are three semi-finalists. Council adjourned at 10:30 to reconvene on Tuesday as a Committee in Whole to discuss this matter.

AT THE EDMONTON

PUBLIC LIBRARY

Sunday Concert

On Sunday afternoon, January 17, from 2 to 3 p.m., the Public Library presents another program of stereo music from its record collection. This week Tchaikovsky's Symphony No. 7, in B flat major will be performed by the Philadelphia Orchestra, Eugene Ormandy, conducting.

Pipers and A'

This lively

Pipers and A' This lively and musical film explains a good deal about the Scotsman's passion for pipe music. There are paintings and engravings from Scotland's archives, but the action for the most part was filmed at the Glengarry Highland Games, only a caber-toss from Ottawa.

Cattle Ranch A robust film of the life of a cowboy, through the seasons on the biggest cattle ranch in the Commonwealth near Kamloops, B.C. Musical accompaniment by American folk singer, Pete Seeger and narration by Frances Hyland. (Film awards: International Film Festival, Locarno, Switzerland; Rapallo Film Festival, Italy; Vancouver Film Festival, Montreal Film Festival.)

The Origins of Weather What is the source of the constant activity which creates our climate, gives us our weather? This film gives some of the answers. Wildlife in the Rockies After many years of careful conservation, Banff and Jasper National Parks have become vast zoological gardens. In this film you see many intimate views of the creatures of the wild, large and small, that inhabit the forested mountains.

LIONS NEWS

There will be no regular meeting on Jan. 19th. Instead there will be Charter Night on January 22nd.

The Lions Club will take the receipts of the Children's Theatre for the month of January. They also have another suit raffle in full swing.

The Air Cadets have held their annual "Peanut Sell". However, this year, they have worked things differently. Instead of buying the peanuts already bagged,

they bagged themselves at a considerable saving, allowing them to make a greater profit. Their total receipts were approximately \$675.00, expenses approximately \$250.00. They made \$425.00 clear. This was very good.

It is indeed with great pleasure that the St. Albert Lions Club welcomes Lion Ivon Bouchard, the new manager of the Bank of Montreal. He is the last member to join in 1964.

Have you lost a bicycle ?

The following bikes were found in St. Albert and can be claimed at the R.C.M.P. office in St. Albert.

2. Boy's bicycle, TRIUMPH, 3 speed, head light, rear fender spring carrier,

blue frame, white fenders, white chain guard.

3. Girl's bicycle, BLACK HAWK, blue frame, white fenders, white chain guard, small.
4. Girl's bicycle, TIGER, green frame, white front fender, rear fender missing, small.

ATTENTION PARENTS !

The following statement from the St. Albert Protestant Separate School District No. 6 is, we feel, of great importance to both children and parents. Therefore we bring it here for your attention.

We wish to draw to the attention of all parents who have children attending school that it is absolutely necessary for each child to wear suitable winter apparel when travelling or walking to school in below zero weather. This apparel should include suitable head covering, warm mitts, and proper footwear. If these precautions are carefully heeded, your children will be adequately protected during adverse weather conditions. The experience of the last cold wave demonstrated that many children in Alberta suffered frost bites by not being properly clothed for the severe weather conditions.

We wish to stress further that there could be added dangers if our busses should become stalled on drifted roads and streets and the children were compelled to walk to seek proper shelter. Some Safety Precautions for the Pupils

1. Walk on sidewalks.
2. Cross streets at the crosswalks.
3. Snow and rain can be cold, but do not walk backwards, or walk with your eyes covered when approaching intersections.
4. Look to the right and to the left, then look again, before you cross the street.

5. Dress for the weather.
 6. When severe drifting or other conditions make it necessary for you to walk on a street or highway, walk FACING the traffic.
 7. When walking on the highway, or the street, walk in single file - or not more than two abreast.
 8. Do not play games on the street while waiting for a bus, or while on your way to school.
 9. Be on time at the school bus stop.
 10. Do NOT accept rides from strangers.
 11. Do not push playmates while on the way to school, or while waiting for a bus.
 12. Wait for the bus to come to a full stop before you attempt to get on or off.
 13. Go to your assigned seat immediately.
 14. Do not put books, lunches, or other objects in the aisles of the bus.
 15. Do not tamper with the bus or any of its equipment.
 16. Observe classroom conduct on the bus.
 17. Do not talk to the driver while the bus is in motion.
 18. Do not tamper with windows. Never put your head, arms or legs, or any part of your body out of the windows.
 19. Do not smoke, spit, or throw trash in or around the bus.
 20. Report to the driver any damages to the bus.
 21. Always pass in front of the bus.
- Obey directions from the bus driver and members of the safety patrols. Remember the safety rules that your teachers and parents have taught you.

LADIES RETREAT

The Annual St. Albert Closed Ladies Retreat will be held at the Star of the North Retreat House, January 19 - 21. The retreat begins at 7:30 Tuesday and finishes with supper on Thursday. The theme for this year's retreat will be 'Spiritual Maturity'. The lectures will all be new and include such topics as 'The Spirit of Christ', 'The Holy Ghost and the Layman' and 'Life of Faith', with the emphasis echoing the mood of the recent ecumenical council 'the Spirit of Christianity' rather than the letter of the law.

For anyone who has never made a closed retreat it should be explained that the word 'closed' refers only to the silence that is maintained during the retreat. This is broken by guided discussions. A 2 day retreat is a golden opportunity to

escape the hubbub of everyday life to peace and quiet where one can assess the real values of life and gain a better perspective.

Any lady interested is urged to contact the Captains, Mrs. Kay Oddie, 599-7553, Mrs. Mae Miller 599-6934

TOP SALESMAN

Mr. Germain Borle, 7 Madison Ave., St. Albert, was called the top salesman of 1964 for the Mance Company Ltd. of Red Deer, who deal in farm equipment. Mr. Borle was also top sales man for the same company in 1963. Due to these first class performances, the company has chosen Mr. Borle and his wife Gladys to represent the firm on a business holiday trip in Europe for 4 weeks. Germain and Gladys are lifelong residents of St. Albert and have never visited Europe. The Borle's will leave this Saturday night by plane for Amsterdam. They will visit Holland, Germany, Denmark and France. On their return they will visit with friends in Montreal. We wish Germain and Gladys a very pleasant holiday in the old country.
